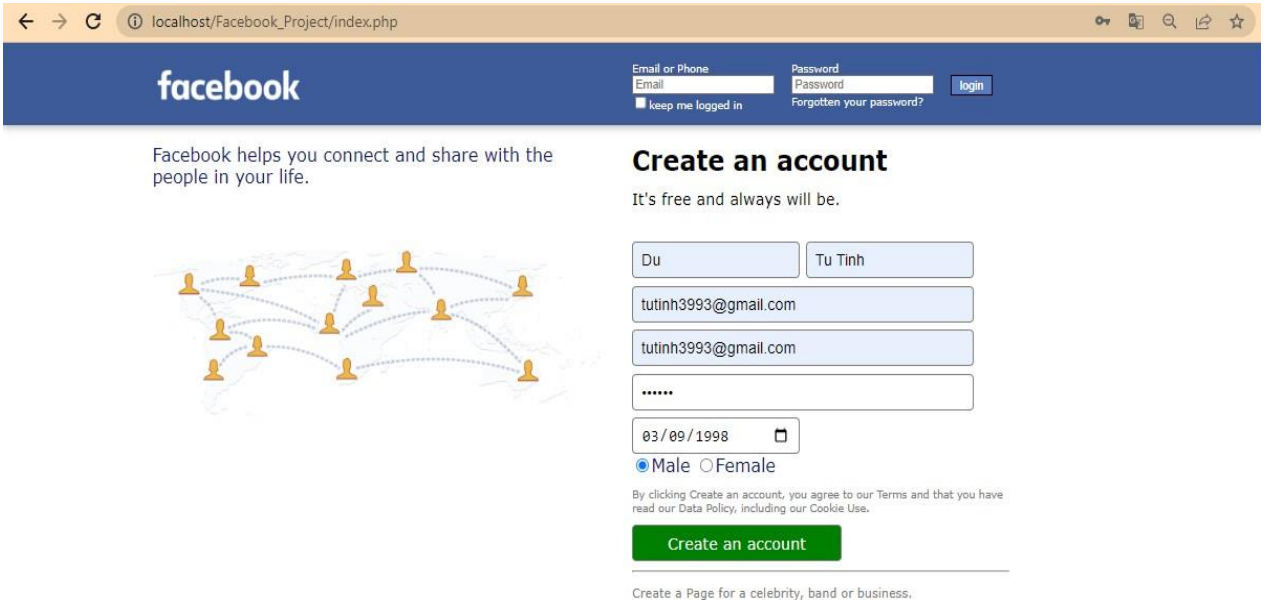
Báo lỗi khi nhập sai format thông tin yêu cầu



Nhập thông đúng format và ấn create

**Congratulations on Creating New Account Facebook Is Successfully**

Click Here To Login

Tạo tài khoản thành công ấn quay về để login

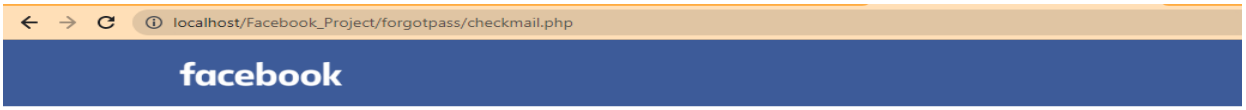
**Login into Facebook**

Email
Password
Log in

Forgotten your password?

Create New Account

Nếu thông tin login bị sai (mật khẩu hay email không khớp với cơ sở dữ liệu đang có)

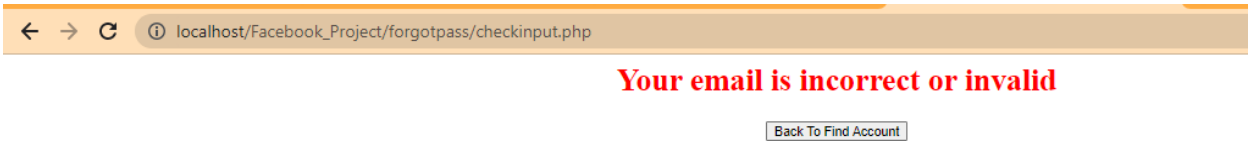


**Find Your Account**

Email
Next

Create New Account

Nếu quên mật khẩu và ấn vào dòng quên mật khẩu=> ở đây cần nhập đúng email để yêu cầu mạt khẩu mói



Ví dụ ta nhập sai email => email không khớp với CSDL hiện hành

Lẽ ra có phần gửi mail nhưng phần gui mail em làm bị lỗi SMTP Error: Could not connect to SMTP host.

Do thời gian có hạn nên em thiết kế homepage chưa được hoàn chỉnh về giao diện và các chức năng chưa được hoàn thiện do có lỗi quá nhiều nên kết quả chỉ dừng ở login thành công và logout thành công.

CODE:

Form_login.php
